## COMMERCIAL VENDOR PRODUCT or SERVICES LISTING

All vendors, both food and non-food vendors, are to list the products they sell, including beverages (food vendors), or services provided (non-food vendors) in the table below. This will allow the Fair to monitor products sold and services offered at the Fair and hold down over-duplication of products/services.

Promotional vendors, such as political parties and businesses offering services should list the purpose of your organization or business. For example, list 'Political Party' or 'Promotional'. Other vendors shall list goods offered for sale or services available for contract.

- The Fair reserves the right to restrict products or services offered by any and all vendors.
- > The Fair does not issue exclusivity rights to any vendor for products sold or services offered.
