1. The term "Board" as found in these rules & regulations refers to the Board of Directors of the Howard County Agricultural Society.
2. Violation of any of these Rules and Regulations, and the Show Ring Code of Ethics, of the Fair, shall result in disciplinary action by a committee, acting for and appointed by the Board.
3. The Howard County Agricultural Society reserves to its Board the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, connected with, or incidental to the fair.
4. In the event of conflict between the general and special rules, the latter will govern.
5. The Society will use diligence to ensure the safety of stock or articles after their arrival and placement, but in no case will the Society be responsible for any theft, accident or loss of property that might occur.
6. The Board of Directors will be in session at the Fair Office each day of the Fair for the transaction of any necessary business. Meeting times will be posted in the Fair Office.
7. Unless special permission is obtained from the Fair Secretary or Manager, the promiscuous distribution by individuals, businesses or organizations of handbills or other promotional matter is prohibited, and no tacking or posting of advertising, bills, cards, etc., will be permitted on any buildings or elsewhere on the Fairgrounds. The only posting of advertising materials allowed will be the promotion of official Fair sponsors and Fair events, and such posting of official Fair sponsors and Fair events will be under the control of the Fair Secretary or Manager.
8. To protect the health of all fairgoers, food and/or beverages cannot be served or otherwise distributed in all livestock areas (stalled areas and show arenas) of the fairgrounds. Refrigerators not allowed in livestock barns and adjoining area.
9. Campers must be parked in area designed for RV camping on the Fairgrounds and pay fees for camping as set by the Fair
10. No horses, bicycles, mopeds, motorcycles, or other motorized vehicles may be ridden in the immediate area of livestock barns, exhibit buildings, or outdoor exhibit areas. While every precaution will be taken for safe keeping of the same the Board will in no case be responsible for loss or damage that may occur. **Pets are not allowed on the grounds unless entered in a Fair competition.**
12. **Service dogs**, as defined in the Code of Iowa, are allowed on the grounds but must be on a leash.

15. Absolutely no alcoholic beverages allowed in the youth areas of the fairgrounds and no alcohol may be consumed during any competitions, shows or other judging involving youth. Violation of this rule will result in the disqualification of the family from all activities and competitions of the Fair, forfeiture of all premiums, awards and other prizes earned by the family and the filing of criminal charges on the offending persons.
16. The Society, its superintendents and office personnel are not responsible for articles left at the Fair.

JUDGING & JUDGES

1. Judges are required to carefully read the general rules and special rules under the heading of the department in which they are to serve, before entering upon their duties, and to specifically note and mark those bearing on the classes to be judged by them. Judges are required to meet with department superintendent and Fair office prior to the show to finalize show schedule and rules.
2. Judges must not award prizes to an unworthy animal or exhibit. It is the intention of the Fair Board that no premium or distinction of any kind shall be given to an exhibit that is not deserving. This rule must be strictly adhered to whether there is competition or not.
3. Where there are fewer entries in the class than the number of premiums offered, judges may in their discretion, award a prize or prizes of such grade as the exhibit deserves.
4. Judges must report to the Superintendent of the department any exhibitor, who in any way, whether in person or by agents interfere with them during the judging or showing any disrespect to them. Whereupon the Superintendent shall, at his discretion, demand a proper apology or exclude him from further competition, and the Board may withhold from such exhibitor any premiums earned, and expel them from further exhibiting at the Fair.
5. In the case of all junior departments, absolutely no parental participation in the judging is allowed. The exhibitor is responsible for the actions of his/her parents, guardians, and other family members and friends that intercede in the judging of that exhibitor.
6. The judge and person acting as clerk to the judge must take special pains after making an award to see that the same is properly entered in the award class.
7. The decision of every judge shall be final in all cases, except where error, fraud, misrepresentation, or collusion, discovered at time of award is obvious. In such case, the Superintendent may render a decision.

2. All entries must be made on forms provided by the Fair.
3. Should any individual enter an animal or article in a name other than the bona fide owner or attempt to perpetrate a fraud by misrepresenting any fact, the entry thus made shall not be allowed to compete for any premiums. In case as to the age of any animal, the superintendent shall appoint an expert whose decision will be final.
4. Exhibits, which may have been erroneously entered, may, at the digression of the Fair Secretary and the Superintendent of the department, be transferred to their proper class before judging. In case such classes have been judged they shall not be re-judged.
5. No animal can be entered or exhibited as a purebred unless the same has been recorded in the recognized books of record for their respective breeds, and exhibitors must produce certificates of registry at the request of the Superintendent in charge any time during the Fair.
6. Stall and pens will not be reserved unless the required fee accompanies application. All stall or pen rates will be doubled when occupied by animals not exhibited.

2. The standard colors of awards will be used: Champion - Royal Purple; Reserve Champion – Lavender; First - Blue; Second - Red; Third - White.

2026 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESSSES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Swine are required to be inspected either before being unloaded or before leaving a designated isolation and inspection area (prior to mixing with any other pigs). All animals moving from out of state into an Iowa county 4H/FFA Fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age **coming in from out of state** used for rodeos, recreational events, shows and exhibitions.

SWINE

All swine must originate from a herd or area not under quarantine and must be individually identified. All swine are required to have individual official identification. All 4-H and FFA tags bearing the US shield  are official identification tags.

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

Swine exhibition requirements. “Swine exhibition” means an exhibit, demonstration, show, or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the approved registration form and obtain approval from the state veterinarian at least 30 days before the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; and the date of the planned exhibition. Sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

Swine exhibition report required. The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date that the exhibition occurred; the name, address and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.

SHEEP AND GOATS

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678) or another official Scrapie tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678), another official Scrapie tag, or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a Scrapie tag may be used, but a Scrapie tag is not required.

POULTRY AND BIRDS

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) **Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.**

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot-high solid partition.

DOGS AND CATS

All dogs and cats exhibited must have a current rabies vaccination certificate.

FARM DEER

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.

“Cervidae” means all animals belonging to the cervidae family, and “CWD susceptible cervidae” means whitetail deer, blacktail deer, mule deer, red deer, elk and moose. Native Iowa Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

“All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.

2026 MIGHTY HOWARD COUNTY FAIR

OPEN CLASS BUCKET CALF SHOW -- Department 101

Wednesday June 24, 9:00 a.m.

Participation Ribbons will be awarded

NOTE: This department is not limited to 4-H and FFA youth. It is open to all youth, ages 4 years old through 3rd grade. No pre-entry is required.

This department will be judged before the start of the 4-H and FFA Dairy Show

NOTE: The intent of the Open Class Bucket Calf Show is to introduce livestock care and showing to youngsters. This show does not rate the animals nor the exhibitors. The animals are used as a means of learning and a hands-on tool offering the youngsters a taste of showing livestock at the county fair, including show-ring ethics, communicating with a judge and being in a show-ring in front of others. This show is not a competition but intended to be a fun activity for the young exhibitors.

1. **Entries must have calved after March 1, 2026.**
2. Limit is one entry per exhibitor. Entry for this show will be taken at the Emmett Wilson Arena prior to the show. Livestock show coordinators will take entries for this department prior to the show.
3. All calves shown in this department must be unique to this department. This means any calves shown may not compete in any other department, including any in the junior achievement show, and vice versa.
4. Calves may be crossbred, straight bred, dairy or beef.
5. All bucket calves will be shown at halter. The superintendent may divide or combine entries depending on total entries.
6. The exhibitors could be asked the following questions, to name a few:
 - a. What the exhibitor has learned about the care and raising of the calf.
 - b. The fitting and showing (according to breed guidelines) of the calf with emphasis on what the exhibitor learned.
 - c. The general health and appearance of the calf and the exhibitor's knowledge in the health area.
 - d. The exhibitor's observations and comments on raising bucket calves.
7. Calves will not be stalled during the Fair. Exhibitors must present their entry for judging at the time and day specified. Entries will be allowed to return to the exhibitor's home immediately after the conclusion of the show.

The contests are listed in the order of their entry day, Wednesday to Saturday.

After judging the food contests, a 'tasting party' is held, where fairgoers can sample the entries for that contest.
